

# Winter Festival

DECEMBER 20<sup>TH</sup> AND 21<sup>ST</sup>

We had a HUGE outpouring of support during our last Winter Festival in 2019 in the form of candy donations from all of our parents. We are incredibly grateful to everyone that helped contribute to this fun event right before we left for our Winter Break. It would mean so much to us if we could count on some of you again this year. We are accepting candy donations of all kinds except candy canes. If you would like to help out, you can bring your donations anytime between now and December 17<sup>th</sup>. Again, we want to thank all of you for your amazing help!

A special helper for Santa has been spotted at this year's Winter Festival taking pictures of everyone. Make sure you smile when they come through so they can let Santa know which kids were naughty or nice.

During our Winter Festival, we strive to have something for everyone. So, whether you aren't a big fan of candy, aren't allowed sweets, or have an allergy, we don't want you to feel left out. At each station, you will find a bowl of small toys sitting beside each bowl of candy for you to choose from if you would rather. We hope this will make everyone feel included in our festivities!

To keep things going as smoothly as possible, we've once again come up with a Station Guide for everyone to follow as they participate in Winter Festival. We've found this is the best way to avoid pile ups and unfortunate elf trappings. Each person will still have plenty of time to go through the entire festival as many times as you would like so don't worry about missing out on your favorite station. However, please know that you will only be awarded a treat during your first time through so we can make sure we have plenty of goodies for everyone attending.

# STATION GUIDE

- 1. TREAT WHEEL.** As you come into our Winter Festival, the first stop is our Treat Wheel. You will get one spin to see which kind of goody is in store for you. You will also be handed a bag to keep up with all your other prizes.
- 2. SNOW BOWLING.** Once you come into the Red Room, your fun really begins. A special helper will give you a snowball and you will have two tries to knock down as many penguin pins as you can. Can you get a strike?
- 3. RUDOLPH & THE PEPPERMINT FOREST.** Take a picture with everyone's favorite holiday reindeer as he relaxes in the Peppermint Forest.
- 4. FEED THE SNOWMAN.** Step on up and see if you have what it takes to keep the abominable snowman at bay. You will have three chances to feed him all the snowballs he can eat.
- 5. REINDEER RINGTOSS.** Bob loves helping out during Winter Festival and what better way to do that, then be our reindeer. You will get three tries to get as many rings around Bob's newly grown antlers as you can. Good Luck!
- 6. PENGUIN RACETRACK.** Do you have what it takes to waddle like a penguin? We're going to give you the chance to try. You and an opponent will step up and place a ball between your knees. The person to make it to the other side without dropping their ball first wins.
- 7. PIE IN THE FACE.** We brought back everyone's favorite station with some new faces added to the list. You will step up and take a roll of the die to see how many chances you'll get to make the ball hit the target. You better stretch your throwing arm now!
- 8. BREAK THE ICE.** This station is for anyone that has ever wanted to break a board. Whether this is your first time ever or you've done it several times before. You will get three chances to punch your way through one of our re-breakable boards.
- 9. BLUE ROOM ICE CAVES.** A blizzard started whirring outside and the only shelter around are the Blue Room Ice Caves. All the lights are off, and a mysterious creature can be heard taking a nap nearby. There's nothing to fear though because a trusty elf guide is there to lead each of our guests through the caves with a flashlight. Just be careful not to make too much noise or you could wake up the sleeping creature.
- 10. HOT COCOA.** Let us warm you up after the caves by giving you a cup of hot chocolate before you go. You will have the option to add marshmallows or just sip it plain, but either way be careful not to burn your tongue.

Our festival will begin at 4PM and will last until 7PM. You can come at any time you would like and stay for as long as you want. There isn't an age limit so please bring the whole family and have some fun!
